GENERAL INFORMATION

FOR CAMP NURSES

BLUE LAKE FINE ARTS CAMP...

Founded in 1966, Blue Lake Fine Arts Camp is a summer community of the fine arts serving more than 5,300 elementary, junior high, and high school students each season through its varied programs. Blue Lake annually employs over 700 faculty and staff, who work together to provide a diverse and enriching learning experience for campers. Although Blue Lake is a fine arts training center, it strives to maintain a "camp" atmosphere in as many ways as possible through the environment, facilities, and camper activities.

CAMP PHILOSOPHY

Blue Lake's primary goal is to motivate campers with two weeks of intensive instruction, sending them home with an incentive to pursue their art with new enthusiasm. A well balanced set of values -- maturity, citizenship, and appreciation of formal study -- are encouraged by all faculty and staff. Members of the Blue Lake staff strive to make the campers' stay meaningful by teaching them how to become good artists and citizens. Enthusiasm is contagious at Blue Lake as campers discover, learn, experience, progress, and succeed.

LOCATION

Blue Lake Fine Arts Camp is situated on Little Blue Lake in West Michigan's Manistee National Forest. The camp consists of 275 rustic cabins, structures, and shelters spread throughout 1,300 acres of wilderness. Located 12 miles north of Muskegon and an hour northwest of Grand Rapids, Blue Lake is within minutes of Lake Michigan beaches and parks.

ACCOMMODATIONS

Blue Lake's Faculty Village, the central housing area for faculty in residence, consists of 50 rustic cabins, a central dining facility, picnic area, laundry facilities, vending machines, pay phones, a recreation area, and an outdoor pool. Each cabin has its own campfire ring, picnic area, kitchenette, bedrooms, and indoor restroom.

CAMP POLICIES

In an effort to provide our campers with a pleasant and nurturing environment, Blue Lake Fine Arts Camp has developed extensive regulations regarding proper and professional conduct. Faculty members, who are considered influential role models for our campers, are expected to support these Blue Lake standards and follow policies.

CAMP UNIFORM

All Blue Lakers, including faculty, staff, and campers, are required to wear the camp uniform at all times except when within the housing unit. The required uniform shirt and micro fleece are available at a discounted price at Blue Lake's camp store. The remainder of the uniform is supplied by the camp employee and consists of solid navy-blue shorts, slacks, skirt, or jeans; navy-blue knee socks or white crew socks for women; white crew socks or navy blue dress socks for men; substantial shoes.

PROOF OF CERTIFICATION

Those applying for jobs which require proof of certification (Recreation Director, Camp Nurse, etc.) must have a photocopy of the certificate on file with the personnel department before an applicant will be considered for the position. The date of expiration must be visible. Minimum certification required for Camp Nurse position is: Registered Nurse with current CPR. If you are an out-of-state applicant, Blue Lake can provide contact information for Michigan Licensing.

EMPLOYEE HEALTH HISTORY

All employees of Blue Lake Fine Arts Camp are required to have a health history on file with the camp Health Director before arriving on camp.

EMPLOYEE BACKGROUND CHECKS

All employees of Blue Lake Fine Arts Camp are required to complete two background checks during the employment process: a criminal records clearance, and a central registry clearance. More information will be presented during the interview.

STAFF HEALTH CARE POSITIONS

OVERVIEW OF STAFF HEALTH CARE POSITIONS

Blue Lake's Health Staff consists of a team of 13, including a health director, an assistant health lodge director, a camp nurse, and 10 certified health assistants. The Health Staff work together with other staff to provide medical care to a diversified camp population of over 6,000 youth, college-aged staff, and university/secondary teachers and their families.

The Health Staff are specifically responsible for maintaining and operating all aspects of the Health Lodge. Shift duties rotate equally through the health staff to supply consistent 24-hour care. In addition to giving basic first aid, supporting special needs campers, transporting campers for off-camp medical care, and assisting campers with the management of their medication, the staff will share cleaning, laundry, inventory, and other duties as assigned. Health Staff can expect a demanding but rewarding work opportunity that will provide invaluable experience for those continuing their education in medical fields.

For those who are interested, Health Staff members also have the opportunity to broaden their artistic appreciation by participating in one staff musical ensemble, requesting private lesson instruction from faculty, and attending Blue Lake evening concerts. (Please see enclosed or inquire for more information).

HEALTH POSITIONS AVAILABLE

Room and board is included with all positions. Salary is based upon the position and applicant experience. Please inquire directly with the Personnel Department at 800-221-3796 for more details on these positions or the application procedure. Camp health care providers must have a minimum certification of American Red Cross Community First Aid and Safety (incl. CPR), and attend additional camp specific medical training prior to the general staff orientation period. (Blue Lake offers basic certification for candidates who otherwise qualify). Health Staff will also receive more extensive detailed training on providing health care, documentation, camp communication, addressing emergency situations, team building, and developing creative thinking and problem solving skills.

Asst. Health Lodge Director (*1 Position Available*): Work together with Health Director to train and supervise health lodge staff, maintain work schedule, communicate with camper parents, monitor medical supplies, support special need campers, serve on the summer camp leadership team, and be a Camp Health Officer. Extensive experience at Blue Lake and minimum certification of American Red Cross Responding to Emergencies with CPR-Professional Rescuer required. Previous experience in the Health Lodge preferred.

Health Lodge Staff (*10 Positions Available*): Work with the Camp Health Directors and Camp Nurse to provide a variety of health care services including basic first aid, medication management/distribution, transportation of campers off camp for evaluation when necessary, and emergency medical care. Team members receive practical hands-on experience with short-term patient care, documentation, triage, and basic diagnostics. Minimum Certification required: American Red Cross Community First Aid and Safety (includes CPR), and valid U.S. driver's license. Preferred Certifications: Responding to Emergencies, First Responder, EMT, or Paramedic. **Blue Lake will provide basic certification for candidates. All Health Lodge Staff attend additional camp-specific medical training prior to the general orientation period.*

Camp Nurse (*4 2-Week Positions Available*): Work with the Camp Health Directors to provide a variety of health care services including basic first aid, medication management/ distribution, and evaluation and referral of camper's for off-camp medical care. Nurses are expected to remain in residence for one camp session, serve office hours daily, and remain on-call (w/ pager) for emergencies. Minimum Certification: Valid Michigan Registered Nurse License w/ Current CPR. **Blue Lake can provide contact information for Michigan Licensing to out of state applicants.*
