International Exchange Program

Please read the "Blue Lake International Exchange Program Policies" carefully, and be sure that you understand the rules, regulations, and policies as stated, which will be strictly observed. The Student Citizenship Pledge, Uniform & Equipment Regulations, and Attendance/Transportation Policies listed here are considered part of the contractual agreement, and therefore, failure to comply with these regulations may jeopardize your participation in the program.

Blue Lake operates with a well-defined structure, coupled with reasonable rules and high expectations for maturity on the part of our participants. It is our belief that this philosophy enables students to concentrate their energy on rapid growth in skills and understanding. Non-conformity to the rules and regulations clearly stated in the Pledge and Uniform Regulations will not be tolerated. Students who do not comply will be expelled at their own expense, at the discretion of the International Program administration, according to established policy.

If you feel that you have hesitations in complying with any of the rules stated in the Student Citizen Pledge and Uniform & Equipment Regulations, please do not commit to membership in our program.

If you possess the maturity to understand the necessity for such rules, regulations, and policies in order to benefit all people involved in Blue Lake's International Program, including European & American hosts, we will look forward to having you with us for an unforgettable international and musical adventure.
